

Interagency Council on Housing and Homelessness

Working Group on Data Sharing

March 2nd, 10:00-12:00

One Ashburton Place, 11th floor, Matta Conference Room

Conference Line: 866-648-7093

Passcode: 3199519#

AGENDA

Introductions

Background

Terminology

Workgroup Purpose

Benefits of Sharing Data

Guiding Principles

Key Questions:

- What data would be shared?
- Who would share the data?
- Why would data be shared?
- What date would the data start being shared? (*looking backwards isn't an option, right?*)
- How long would data be shared for?
- Where would the shared data be stored?
- How often would the data be “dumped” into the storage site?
